

Spare filter for MaxiFil - Art. No.:109 0468

Properties

- » Easy and quick installation
- » Increased safety with contamination-free filter change
- » Large filter surface
- » Long service life
- » High collection capacity
- » High filter efficiency
- » Light and stable construction

Technical Data

Art. No	109 0468
Filter	
Filter surface total	42 m ²
Type of filter	SafeChangeFilter
Pre filter medium:	Aluminium matt
Filter material	Non-woven polyester
Filter efficiency	> 99.5 %
Filterclass	E12
Basic data	
Dimensions (D x H)	600 x 440 mm
Foam gasket	Foam rubber sealing
Total weight	11 kg
